OFFICE OF THE Director of Social Welfare in Mysore, Bangalore

DATED: 29-1-1957

SECRETARY TO GOVT. No. 31 JAN 1957 FOREST

To
The Secretary to Government,
Home, Agriculture and Forest Departments,
'Vidhana Soudha Building',
Bangalore-1.

SUBJECT: SUPPLY OF TIMBER FOR THE CONSTRUCTION OF HOUSES IN COORG AREA FROM FOREST - SANCTION OF GOVERNMENT REQUESTED

SIR,

I enclose herewith for favour of information a copy of D.O. letter No: 4330/BCW-56 dated 25th January, 1957, together with its enclosures received from the Assistant Development Commissioner, Coorg.

2. It may be seen from the perusal thereof that 33 houses for the Kurubas are proposed for construction at the places mentioned therein and programmed to be got completed by the end of the current financial year.

3. Prior to integration it was the practice in Coorg to cause the grant of timber (jungle wood) required for the construction of houses free of cost either from the forest areas or from the Government lands, as the case may be, and to get the houses constructed as per the approved designs prepared by the Public Works Department, within a cost of Rs 600 to Rs 650 each, - a sum of Rs 50 towards the cost being recovered by cash or through voluntary labour, as the contribution by the beneficiaries concerned. It is stated that out of 33 houses, timber for 21 houses will be obtained from Government lands (Revenue paisari lands) from the Deputy Commissioner, Coorg and the timber for the remaining 12 houses are required from the Forest areas. It is learnt that about 50 cft of sawn timber (jungle wood) will be required for each house.

(p.t.o)

4. A doubt seems to have been felt after the States Reorganisation, whether this practice of granting timber free of cost in vogue prior to integration can be continued and the timber required for the construction of houses for Scheduled Castes and Scheduled Tribes residing in Coorg area, supplied free of cost. The estimate of Rs 600 to each house is exclusive of the cost of timber to be provided and if the timber is not supplied free of cost, either from the forest area or from the Government lands, as the case may be, it may not be possible to construct the houses within this amount, as a measure of amelioration under Welfare Schemes and to implement further the housing programme by the close of the current year. It is also learnt that these beneficiaries, namely, Kurubas are all labourers in the Forest Department, and are financially incapable to meet the cost of timber required for the construction of their houses. It is important to implement the Welfare works undertaken in this district for the amelioration of these tribes and it will, therefore, be necessary that the benefit, viz. the grant of timber free of cost, that was being extended by the erstwhile Coorg Government prior to integration, be continued in order that the programmes undertaken may not be got slowed up by a deviation, at least for the present, from this practice.

5. I, therefore, request you to kindly obtain ~~the~~ sanction of Government to supply the required quantity of timber (jungle wood) for construction of 12 houses free of cost from the forest areas and to communicate the same at a very early date in order that the scheme of housing undertaken, can be completed by the local officers by the end of the current financial year.

Yours faithfully,

Copy of D.O.No: 4330/RCW-56 dated the 25th January 1957 from Sri N.K. Mandanna, Assistant Development Commissioner, Welfare Department, Coorg addressed to Sri C.B. Sankara Iyer, IAS. Director of Social Welfare in Mysore, Bangalore.

Dear Sir,

Please refer to your D.O.No.SW3-687/56-57 dated the 22nd January, 1957.

The Deputy Commissioner, Coorg has already issued orders for the grant of timber required to put up houses for Scheduled Castes and Scheduled Tribes on Government and private lands from Government paisaries, free of cost. In the case of colonies to be put up in Reserve forests, the timber required has to be granted by the Forest Department.

2. The Executive Engineer, Minor Irrigation Department, Coorg, had sent up an estimate for a type design house approved by the Government at Rs 800 per house, excluding the cost of timber. But we reported to the Government that Rs 800 per house was high and if a sum of Rs 600 was made available per house, it would be possible to construct houses as per the type design. On this, the Assistant Secretary to the erstwhile Government of Coorg caused a revised estimate to be prepared and according to this estimate, the cost of each house is Rs 650. Out of this amount, the Government has ordered that Rs 50 should be recovered from the beneficiaries either in cash or by voluntary labour. The estimate for Rs 650 also does not include the cost of timber.

3. It is proposed to put up colonies im the following places:

Name of the place	Name of the Range or Nad	No.of houses allotted
1	2	3
1. Gonigadde	Baleko Range	2 houses
2. Mulalkolli	Kallahalla Range	do

(Continued)

4. In respect of items from Sl.Nos. 1 to 12 we require timber from the Forest Department. Timber required for houses in Sl.Nos. 13 to 33 will be obtained from the Revenue paisari lands through the Deputy Commissioner of Coorg. I, therefore, request you kindly to move the Forest Department to sanction the requisite quantity of timber to put up houses within the forest area at the rate of about 50 cft. of sawn timber of jungle wood species per house, from within the concerned Reserve Forests, free of cost.

5. In this connection, I may state that houses proposed to be put up within the Reserve Forests are mostly for the use of Kurubas who are engaged by the Forest Department for their work.

Yours sincerely,
(Sd)N.K. Mandanna

SIR,

SUBJECT: SUPPLY OF TIMBER FOR THE CONSTRUCTION OF 108 HOUSES IN COORG AREA FROM FOREST - SANCTION OF GOVERNMENT REQUESTED

o o o o

I write to state that in my letter No: DSW 3/687/56-57 dated 29-1-1957 on the above subject, I have requested for sanction of timber from the forest area for only 12 houses, by an oversight which is regretted. On further examination of the papers received, I find that the number of houses for which timber from the forest area is required is 108. I request therefore that sanction of Government be obtained very early for the supply of the required quantity of timber for 108 houses.

Sir,

Subject: Free grant of timber for construction of houses for scheduled tribes.

I enclose herewith a copy of letter No.S-45-329/57 dated 11-3-1957 and that of its enclosure received from the Conservator of Forests, Coorg on the subject. It is reported that the Minister was pleased to order the free grant of jungle wood for building. The Conservator of Forests has authorised the subordinates to give the sawn timber after recovering the transportation and sawing charges. It is also reported that a free grant was sanctioned last year by Government for a similar purpose.

I request that orders of Government approving the action taken by the Conservator of Forests, Coorg may be kindly obtained and communicated early.

--

I enclose herewith copy of a letter No.PC.211/56-57 dated 7-3-1957 received from the Deputy Commissioner, Coorg District on the above mentioned subject. The Minister for Agriculture and Forest, during his tour in Coorg verbally ordered that the timber required by the Tribal Welfare Officer may be supplied to him subject to ratification later on by the Government. In may report No.PS.Camp.41/57 dt.17-2-1957 giving details of his tour I have also mentioned this. Now that the Tribal Welfare Officer has got to construct about 50 houses he has been pressing me for this supply on the strength of the oral order of the Minister which has been confirmed by the Deputy Commissioner in the letter enclosed.

I have, therefore, authorized the concerned subordinates to make the timber available from the Saw Mill at Murkal recovering the transport and sawing charges of thetimber from the Tribal Welfare Officer. As bricks are stated to be ready and the foundations laid the construction of these houses have been held up solely on account of want of sanction to the free grant of timber. During the previous year also the Coorg Government sanctioned free grant for a similar purpose. I request you, therefore, kindly to obtain confirmation of the verbal orders issued by the Minister for Agriculture and Forest.
